Zanshono Academy is unique in all the world. It has fifty four thousand students and this allows for some VERY specialized clubs. There are clubs for just about everything you can think of...and then there's the Eiken club. No one seems to know just what it's about, but they do know that it's filled with some of the most bodacious babes ever to be brought together!

...and then there's Densuke.

Densuke is a little awkward and clumsy and he always seems to be in the most compromising positions with all the other club members. And all he really wants is to be with the cutest girl on campus, the lovely Chiharu. Will he ever be able to get away from the uncomfortable club activities and let Chiharu know what's really on his mind?

eiken...

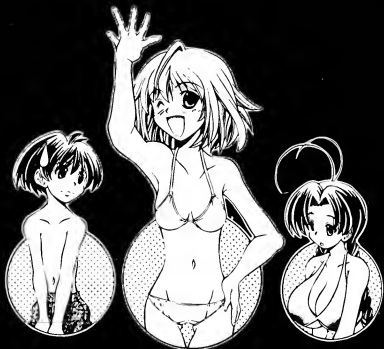

densuke has it all, question is,
does he want it?

This town has a very small population so it closes at night.

Is there a convenience store nearby?

Th... Thanks for the food.

It's fine. I don't eat much anyway.

Are you sure I can have half?

Well, I don't have much time to cook so... I make sure I eat a healthy lunch.

H... Hey. Do you always have dinner like this?

Oh... Okay...

--to recharge Gustav so you can get home as soon as possible.

I'm using all the electrical power throughout the house--

Just go to bed if you've finished eating.

You ask a lot of questions.

Um... Why did you turn the lights off and use a lamp instead?

Don't look!

Ah!

Aah!

My sister has this manga...

I remember it being a kid's story...

D... Did you see what was inside this chest...?

I haven't gone grocery shopping lately.

You only have one cup-noodle left.

I... I see... Let's make some dinner.

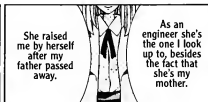

Didn't see anything! I didn't look at anything...

Nope. Nope.

There's no need to apologize.

Oh... I'm sorry.

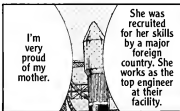

She raised me by herself after my father passed away.

As an engineer she's the one I look up to, besides the fact that she's my mother.

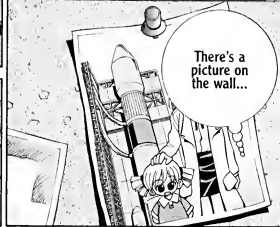

I've never felt lonely even once!

That's why she can't come home to Japan much but...

I'm very proud of my mother.

She was recruited for her skills by a major foreign country. She works as the top engineer at their facility.

There's a picture on the wall...

.....

Y... Yeah...

Are you awake, Densuke?

Come to think of it, this is the first time I'm alone with a girl.

I can't fall asleep.

Aa... Oh... That's my mother.

Is that woman in the picture family?

What now?!

Hey, Kyoko.

..... Hmph
.....

Densuke ...

H... Hey. If there's anything you want to talk about, you can come to me.

I'm sure everyone else at Eiken feels the same way.

Friends right?

We're...

Kyoko...

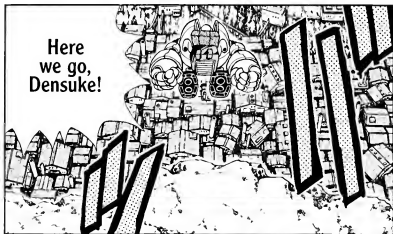

Thank you... Densuke...

I... I see...

She's really pretty.

Here
we go,
Densuke!

We're here,
Densuke.

This is
the

D...
don't...

H... He's
gone.

Huh?

Right...

You're...

Nyeagh!

W... Why
am I
saying
this to
you?!

Make
sure you
don't fall out
while we're
moving.

Okay...

Y... Yes.

1 A M S O O

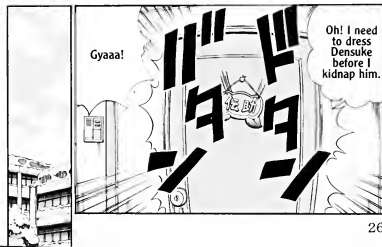

Matsu's Screams.

It's volume five... It's been a year since this series started getting serialized. Looking back, time flew by. At the time, I'd only done monthly serializations so I never thought I'd be able to do a weekly serialization. I owe everything to the people who bought the manga. ♥♥ Thank you! ♥♥♥♥

I'm thinking about writing about Seiji Matsumoto's daily life and hobbies here. I won't be able to give you a weekly update but please have a good laugh when you read it. The manga will be out in May but I'm writing this in March...

Seiji Matsumoto

Bjyaaa!

It's okay...
I'm fine.

I'm
sorry,
Densuke.

Come on!
Stop putzing
around and
let's play
Densuke!

This
snowball
is way too
big...

D...
Densuke!

Aah!
Teacher!
Sorry!

Eek!

S...
Stop
Kirika!

Take that!
Take that!
Take that!

K...
Kirika!

umph

Aah!
What

Bmm!

Densuke!
Let's play!

Yuriko!
Don't throw
a snowball
without
warning
him!

Haraaah!

Teacher!
Densuke!

But my
underwear is
wet because
the snow
melted...

unh...

unh...

Why are
you
making it
up here
then?

I'm
making the
base of
the snowman.

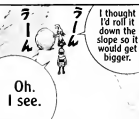

I'm
making a
snowman
with
Komoe.

What
are you
doing,
Teacher?

Oh.
Thanks,
Densuke.

Let
me help,
teacher.

Oh.
I see.

I thought
I'd roll it
down the
slope so it
would get
bigger.

I finished
making the
head!

Oh...
Okay!

I...
I think
so, too.

This is a
good size for
a snowman.

I...
I think...

Hyaaa!

Aaaa!

Huh?

S...
Sure...

You can
always count
on boys for
this type of
stuff.

Done...

Whoa.
It's pretty
heavy.

Got
it.

Okay.

It looks
heavy so
I'll bring
it over.

Are you
all right,
Teacher?

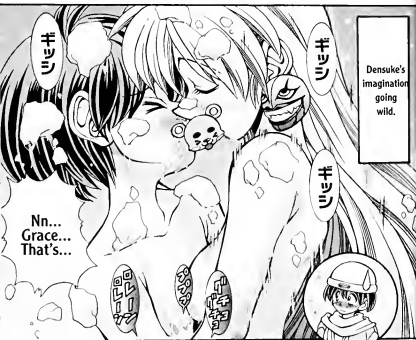

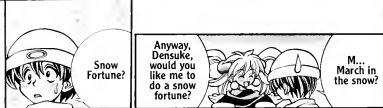

Y... yes...
I'm all
right...

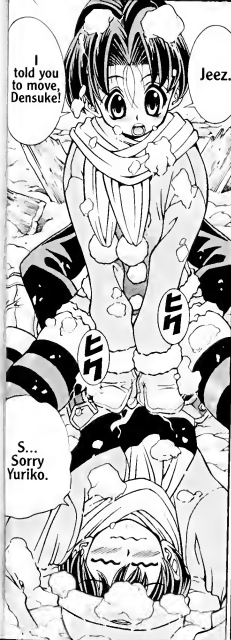

Huff

Huff

Gheh!

Huh?

Yeaah!

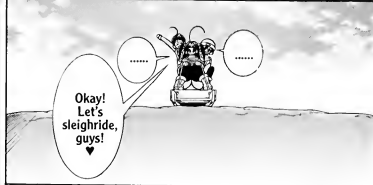

O... Okay...

See? Let's do it again.

Here we go!

Okay! Let's sleighride, guys!

Aah!

No! You have to get closer or

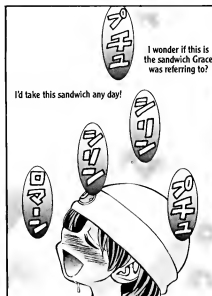

else we're going to fall off!

I'm right up against Chiharu...

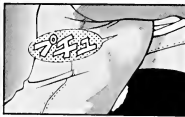

N... No... It's okay...

I... I'm sorry, Densuke.

I wonder if this is the sandwich Grace was referring to?

I'd take this sandwich any day!

I have Chiharu's butt in front and Yuriko's chest behind me!

Awawawawa!

Are you sure it's okay to make a slope like this inside the campus?

It... It's scary...

We're going down this slope?

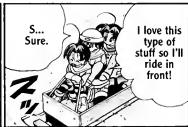

Kyoko wanted to test Gustav's snow parts. It's two birds with one stone.

It's fine. We'll destroy it once we're done.

Okay! See you! ♥

Off we go!

S... Sure.

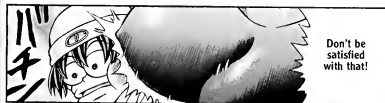

I love this type of stuff so I'll ride in front!

It's great, Densuke!

Who-aaaaa!

Don't be satisfied with that!

I had Kyoko make something fun. Let's go.

Ow. Ow. Ow. What was that for, Kirika...?

Oh. It's Kirika.

D... Densuke!

N... No... Well...

I do want it to last longer but...

Don't you wish that situation would last longer?

Are you sure about this, Kirika?

It's like a ski jumping ramp.

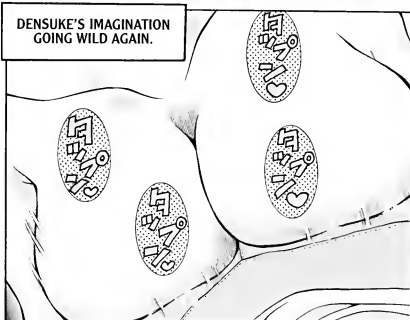

That's a big slope.

Ah! Sorry, Yuriko!

My hand slipped from the landing.

Eek!

Matsuyama's Room

It's approximately six tatami mats wide.
Work and sleep space.

I'm not ready to be married...

... I still have a long way to go as a teacher...

Sigh...

A... it's nothing.

P... Plus...

You're really not happy about it then.

The day of the arranged marriage

Looks like it...

Yeah but...

These are the times we need to help her out. Right, Densuke?

Teacher looks like she really doesn't want to.

Huh? Oh! It's nothing...

What's wrong, Teacher? What's with the long sigh?

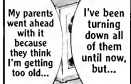

Eek!

Ooo! That's an arranged marriage picture.

Are you getting married, Teacher?

Eh... Yes...

My parents went ahead with it because they think I'm getting too old...

I've been turning down all of them until now, but...

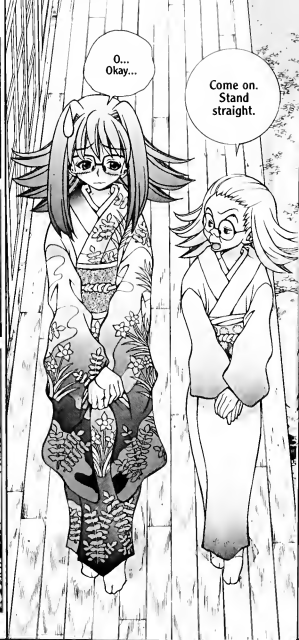

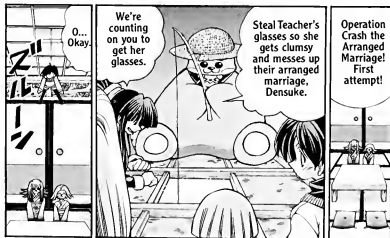

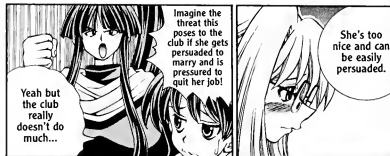

Oh... Me?

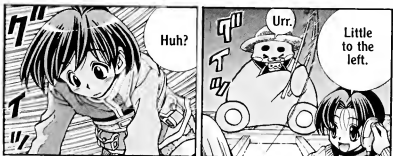

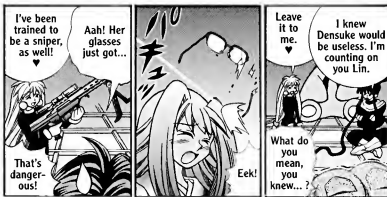

So... How do you feel about it?

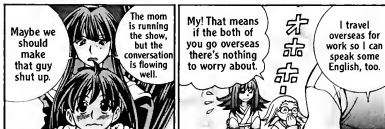

Sigh...

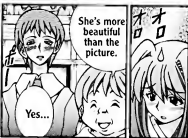

Densuke, take this hot-pepper filled food down to him.

Huh? Why me?

What's the matter?

But it interrupted the mood so it might just work.

S... Sorry.

You idiot! You were supposed to give it to him!

Are you all right?

It... It's hot...

W... Why don't we go to the bathroom...

Ow. Ow. Ow.

I... I'm so sorry...

The strategy backfired.

Good job, Densuke. The two ended up getting closer.

I... I've brought you some food.

Kirika's doing it for her own personal amusement...

Ginyaaa!

The waitress's outfit here is cute so I wanted you to wear it!

I'm supposed to give that one to the guy.

HOT PEPPER DISH

Oh... Food's here.

Kirika makes me do this all the time but I really hate dressing up as a woman...

Don't look Teacher in the eye...

Here.

Aah...

P... Please excuse me!

N... No...

Is there something wrong?

Awawawa... Umm...

Th... Thank you very much.

N... No way...

Maybe he's going to try and kiss her!

It's probably an excuse to lure her away.

I wonder what he doesn't want his parents to hear?

Chiharu's like that too.

Teacher has no experience with men. She might just marry the first guy that kisses her.

Y... You think?

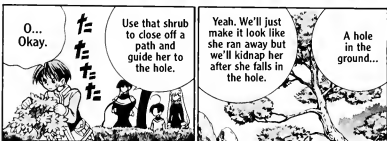

You never know. They're both adults so it's not impossible.

No problem. The trap is set. Make sure you guide teacher here.

Kyoko, we're putting together our plan.

We must keep the Eiken Club from being shut down.

O... Okay.

た た た た

Use that shrub to close off a path and guide her to the hole.

Yeah. We'll just make it look like she ran away but we'll kidnap her after she falls in the hole.

A hole in the ground...

Th... They're looking like a couple.

They're taking a walk in the garden instead of returning.

Hah hah hah. Me too.

I'm sorry. I'm not used to having meals in places like this.

Mgg.

Shhh! Shut up! The guy is saying something.

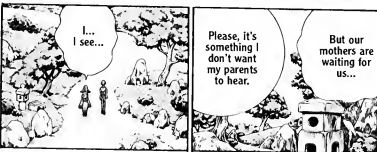

Not here...let's go further into the garden.

Huh? Sure...

There's something I'd like to discuss with you. May I?

Umm...

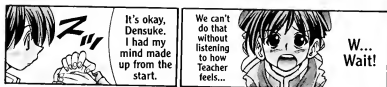

I... I see...

Please, it's something I don't want my parents to hear.

But our mothers are waiting for us...

It's okay, Densuke. I had my mind made up from the start.

We can't do that without listening to how Teacher feels...

W... Wait!

Aah!

Uhm... Your sash is undone...

But what are you doing here, Densuke?

I... I'm sorry. I'm so clumsy.

We heard you were getting an arranged marriage. We got worried so...

Okay Densuke! Let's kidnap Teacher!

K... Kirika!

What are they talking about?

I'm sorry. I shouldn't have told you all that...

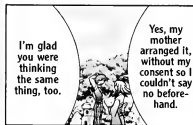

Ah...

Z...zero experience?

I have no idea what it says so I just wrote down what it says. According to my friends it's pretty high-tech. It's a handmade computer so it's really cheap... (Actually, my staff members built it) I recently got a DSL.

The drawing tablet takes up most of the PC desk space. The tablet also has a screen, so I can draw directly onto it. It's great.

As for CG stuff I use Photoshop 6.0. I have yet to master all the tools, but I'm making progress slowly but surely. It's actually more fun than doing it the traditional way, so I doubt I'll go back... I've always wanted to do CG ♥♥
So, I'm so happy. ♥♥

Y... Y...
Yes...

Densuke!

Hey, can you hear me?

Go to a hot spring for some reason.

Kirika decided that we should...

It's so strange to be at a hot spring celebrating Valentine's Day.

I'm flattered but...

Densuke.

Aah... the card says it's for me.

Densuke.

I wonder what it is?

for Valentine's Day.

Together we baked you a cake

It's for looking after us all the time.

Ah! You guys made it! Thank you.

Can I open it?

Mgg?

Today is Valentine's Day.

Ah... Lin.

Y... Yuriko! Don't surprise us like that.

No, it's okay.

I'm sorry we're not getting much studying done.

42巻 伝助のアルバイトPART1

This is the last Matsu's Scream page. When I first started writing this, it was March... Now, it's mid April... I was busy doing higher page count issues and two issues back to back where it had to be in color. All I've been doing is drawing... (I know it's not a good excuse...) Now that I've gone digital, it's a lot easier to draw the bonus pages! ♥♥♥ There're so many things I'd like to draw. ♥♥♥ On another note, the anime started in April and I've been checking out the episodes my staff taped!

See you in Volume 6! —————

But I want to be able to give something back to Giharu, at least.

Let's go! Let's go!

Ugh

Yuriko found an all-you-can-eat takoyaki shop! Let's go!

I can't tell anyone I can't afford to return their Valentine's day favors...

That's so pathetic.

Sure! I don't mind paying.

Do you want to go anyway, Yuriko?

Oh well. So much for making Densuke pay.

You guys were going to make me pay...

Oh that's right.

It's my fault for not locking the door.

It's okay. No need to apologize so much.

I... I'm really sorry about that.

She's really out-going.

Oh, thank you.

I'm Miharu. Nice to meet you.

The manager asked me to train you.

Here's a job for you.

Come on. Let's get dressed.

Yes.

There's a little trick to it. Watch me.

Wipe down the table where a customer was sitting before he left.

Okay.

Aah ...

Ah! I'm sorry!

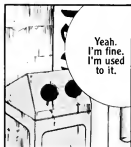

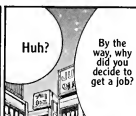

You must be the new guy.

Huh? I am...

She's sleeping... I wonder if she's going to be okay.

Ah, she woke up...

She's really cute. I better work hard when she's asleep, too.

She looks like Chiharuru when she's asleep.

No, I'm going to work hard for Chiharuru!

Ah... Okay.

Oh that's right. Since we're the same age, don't worry about seniority on the job.

Just call me Miharu.

I'm taking the uptown train here so I'll see you later.

Densuke-chan.
♥

Hope you don't mind me calling you by your first name too.

That's what a childhood friend would probably call me...

I'm not used to being called that, so it's a bit embarrassing.

D... Densuke-chan...

I'll see you tomorrow.

Who do you think you're talking to, punk?!

P... Please stop!

Yeah, there's something really wrong!

This piece of junk won't move!

Meaning?

The video can be used as proof.

It was all caught on the surveillance camera.

P... Plus...

You could be brought up on assault charges.

The worker is saying I'm causing a scene.

Hey did you hear that?

What?

Please don't hit the computer; it will affect the next customers that use it.

He's acting up...

Keh... I didn't want to come here anyway.

Ugh...

It's okay, Densuke-chan.

I...

Miharu...

I'm okay. Please go back to work.

Okay ...

Manager...

Are you all right, you two?

D... Densuke.

Phew...

Shut up! You're getting on my nerves!

Aaah!

What?

Please stop that.

43巻 ちはるに...谷間...??

Hah hah. What am I saying?!

Hah hah! It was a joke!

I'm kind of sad you're only here for three days...

I wish you were working here longer.

W... What am I thinking?!

I'm in love with Chiharu!

Her smile hides her hard life... Miharu was really cute.

Maybe we'll bump into each other, again, at a different job! Bye!

Heh heh. I'm so happy, Densuke.

Half Off

Next time, make sure you take off the half-off price tag, Densuke!

Th... Thank you, Densuke.

Th... Thank you!

W... Why am I feeling guilty?

March 14th...

You're chopping wood with your bare hands?

Yes?

The fish are wiggling I can't get a grip on them.

Eek! The fish is squirming around! My panty feels slimy!

Get out of the way, Densuke.

Y... You're hurting me, Yuriko!

Densuke! Let's play!

Pah!

Quit your whining and get to work.

M... My back aches...

Is there anything I can do, Kirika?

All right! Let's do it!

Good. That's the spirit.

.....

Eh...

You better pull yourself together...

You're worrying, Chiharu.

Ow! What was that for, Kirika?!

What just happened? She's really happy all of the sudden...

た

Okay...

Horsetails taste good when you scald them with vinegar and season with salt and a pinch of sugar.

This is a Royal Fern. They're really good when they're dried.

That's why you know so much.

W... Well... I like plants so I used to read about them everyday when I was little, so...

Eh....

You know a lot about this stuff.

A... Anyway, all I have to do is pick ones that look like that right?

I shouldn't be thinking this, but she's so cute when she's acting reserved.

There's no need to apologize, Chiharu!

Uh... D... Densuke...

I'm sorry.

!!!

Chiharu, this is edible right?

There's some!

Let's see...

You're more likely to find them on slopes.

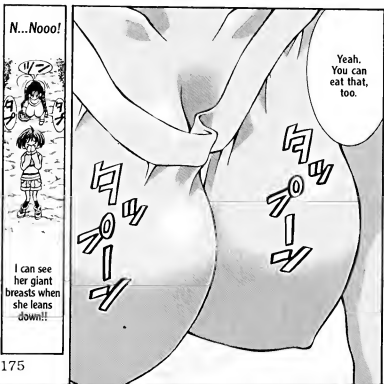

I get so nervous when it's just the two of us.

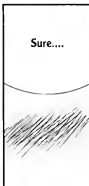

I wonder where you find mountain vegetables?

Let's go—

—Densuke.

Densuke's Fantasy Running Wild.
A little early summer pose ♡

Don't let go, Densuke...

Don't worry. I won't.

Here we go!

We should be able to cross.

Ah!

Eek!

I'm totally taking charge right now...

Aah... Looking at her adorable face makes me nervous!

N... Not at all.

I... I'm sorry, Densuke... I...Uh...

.....

Oh...

Whoaaa! I'm so glad I asked.

It's beautiful.

It's a stream.

We still have some time until dinner so...

L... Let's go...

Behind the 43rd floor...

HERE'S A VERSION AFTER I INKED IT.

I ERASE THE MISTAKES ON MY PC LATER, BUT HERE IT IS. (SUPER EASY!) BUT IF YOU ONLY BUY THE COMIC YOU WON'T BE ABLE TO SEE THE FINAL VERSION... (I USUALLY DON'T REPLICATE THEM!! SORT OF...)

HERE'S A ROUGH SKETCH OF THE CHAMPION COVER.

I DREW IT FOR THEIR 50TH ANNIVERSARY. I CREATED A STORY USING THIS ARTWORK AS INSPIRATION. AS PER THE EDITOR'S REQUEST I TONED DOWN THE SEXINESS... (IT'S MORE APPROACHABLE WHEN PEOPLE PICK IT UP TO BUY IT)

YURIKO IS PULLING CHIHAU'S BRAIDS, BUT THEN IT TOOK AWAY FROM DENSUKE SO THAT GOT CHANGED.

PART 3

HERE'S THE ROUGH
FOR VOLUME 5! HER
NOSE IS DIFFERENT FROM
THE FINAL VERSION.
VOLUMES 1-3 USED
THE SAME TYPE OF
DESIGN SO I CHANGED
IT IN VOLUME 4...

ABOUT MIHARU...
SHE WAS A CHARACTER
THAT WAS CREATED FOR
THAT CHAPTER SO SHE
WON'T BE USED
AGAIN, MY APOLOGIES
TO THE MIHARU FANS.
(IN THIS VOLUME I TRIED
CHANGING THE ARTWORK
SO IT WOULD BE ELEMENTARY
SCHOOL KID-FRIENDLY.)
I'M GOING TO HIDE
THE SEXY SHOTS NEXT!
